

Conductix-Wampfler has served the Latin American market for more than four decades. We serve customers from two warehouse locations in Mexico and Brazil, as well as an extensive sales representative network. Our specialists in each region, cover nearly 10,000 km from the northernmost part of Mexico to the southernmost tip of Patagonia!

**We speak your language | We know your roots | We understand your business**

Our network of local representatives and distributors can provide you with immediate assistance with our products and technical services.
